

LIFE GROUP QUESTIONS  
**ULTIMATE AUTHORITY, PART 1**  
April 21, 2019

“Taking” or “using” God’s Name primarily means finding our **identity** in Him. To misuse God’s Name in any way is a sin, but the main thing this commandment forbids is *claiming to be God’s people* in vain – that is, with nothing to show for it, no plans, no evidence of His work in our lives.

**Exodus 20:7, 33:19, 34:6-8**

Share one way you are getting more intentional and strategic about “taking” God’s Name and living life from your identity as His child.

Then we walked through the story of Jesus Christ becoming King of Kings and Lord of Lords – the Ultimate Authority in the universe.

**Philippians 2:1-11**

See the Sermon Outline for the scriptures that tell each part of The Story.

Please share...

- ...any part of the story that really grabbed you, this time
- ...anything that surprised you
- any questions that you still have
- ...which part of The Plot you feel like you are in, right now

The only logical ways to respond to the Ultimate Power in the universe is to bow our knees (surrender, pledge allegiance) and proclaim Him as Lord (to embrace His will for our lives as our identity and our purpose).

Share how the Holy Spirit is leading you to...

...bow your knee to Christ

...proclaim that Jesus Christ is Lord
