

LOVE INCARNATE:

Mighty God

December 23, 2018

As our **Wonderful Counselor**, Jesus can guide, advise, comfort, encourage, and advocate for us in genuinely miraculous and awe-inspiring ways.

The term **Mighty God** (*El Gibbor*) often refers to a military hero. IF we are on His side, we have access to His power – and He is prone to take action.

1 Peter 5:5-11, Jeremiah 29:10-14, Isaiah 33:21, Zephaniah 3:17

We must adjust our perspective and expectations to match God's.

Psalm 24:2, Corinthians 10:4, Ephesians 3:20

When we do this, we learn that:

we are NOT alone
we CAN get better
God can change what we cannot

Sometimes God heals physically, but we must always respond to our Mighty God with trust and humility.

2 Kings 5, John 5

The Lion of Judah / Lamb who was slain is worthy of the same glory, honor and praise that God gets – and He has the same power!

Hosea 5:14, Revelation 4 & 5

Yes, Lord, I will...
